

## **North Carolina Regions Project**

**Objective:** Students will learn and utilize researching skills to research and demonstrate their knowledge of the geography terms within an assigned region of North Carolina. They will display this knowledge within a student selected manner.

I am assigned the: (circle)      Mountains              Piedmont              Coastal Plains

### **What am I required to find out about my region and include in my project?**

\_\_\_\_\_ The name of my assigned region.

\_\_\_\_\_ Describe the 2 major landforms within the region

\_\_\_\_\_ List 3 major natural resources within the region

\_\_\_\_\_ List 3 major industries (or ways the region makes money) within the region

\_\_\_\_\_ List 3 major (or big) cities within the region

\_\_\_\_\_ List 2 items that can be done for recreation (or fun)

\_\_\_\_\_ At least 2 pictures from the region

### **How can I show my information?**

- Typed report
  - PowerPoint presentation
  - Typed or handmade Pamphlet
  - Song
  - Poem
  - Poster
  - Article
- or any other teacher approved method.

### **How long are we going to have to work on it?**

You will have seven days to work on it in class. The last day to work on it is Wednesday, October 20. Presentations will be on Thursday, October 21.

### **Can I work on it at home?**

As of now, no, you shouldn't need to. You should have plenty of class time to complete a finished product.

### **How am I going to be graded on my project?**

On the other side of this paper is a grading rubric for you project. Make sure you listen when we discuss the rubric in class!
